

SPRING, CHEER and FREE BEER*

(we buy the first 100 attendees' beers, water and sodas, 6:00-7:30)

UW-MADISON AAUP (Association of University Professors) invites you to experience this and more in Capital Brewer's beautiful Beer Garden:

You do not need to be an AAUP member to attend.

* if you wanted to join, that would be ok, too.

We invite you to join us, grab a beer or two, nosh, meet cool people from all around the campus, celebrate the spring and the end of the semester...talk... socialize... talk about UW's own new: ***Tenure-Lite***.

Now with **Tenure-Lite***

Just as good as some of our peers, sort of.

*WARNING: Tenure-Lite may appear as adequately mediocre to some, but has been shown to offer fewer real protections, and may be hazardous to your freedom and livelihood. Use caution when teaching or conducting research when enjoying our brands with **Tenure-Lite**

Then try some real award-winning local craft beer.

Where: Beer Garden at Capital Brewery
7734 Terrace Ave, Middleton, WI 53562

When: Wednesday, April 27 @ 6:00pm

Seriously, come hang out with your colleagues from across campus in a very nice beer garden.
